

Kaanapali Ocean Adventures tours are designed to work for families with children, including first-time snorkelers of all ages. Understanding how the tours accommodate different experience levels and ages helps families plan their Maui ocean adventure with confidence. The Lanai Snorkeling Half Day tour is recommended for ages 5 and up. Children in this age range who are comfortable around water and can follow instructions can participate fully in the snorkel experience with appropriate supervision. The crew is experienced with first-time snorkelers of all ages. A thorough safety briefing before entering the water covers ocean entry and exit, flotation device use, and snorkeling technique. Crew members in the water provide assistance and encouragement to guests who are nervous or new to snorkeling.

Kaanapali Snorkel Tours

One guest review describes a crew member helping a 12-year-old overcome his fear of snorkeling and successfully snorkel for the first time. This kind of attentive, personal guidance from the crew is a recurring theme in Kaanapali Ocean Adventures reviews and reflects the approach the company takes to creating genuinely memorable experiences for all guests regardless of skill level. Flotation equipment is [Kaanapali Snorkel Tours](#) available for all guests who want it. Life jackets, boogie boards, and noodles are included in the tour price. There is no stigma about using these items. The crew encourages whatever flotation helps guests feel comfortable and enjoy the experience. For very young children or infants, parents should contact Kaanapali Ocean Adventures directly before booking to discuss the specific needs of their child and whether the boarding process and tour format is appropriate. Sea Scooters are available for older children and adults who want to enhance their reef exploration. Crew members can advise on age and size appropriateness for Sea Scooter use.
