The bonus amount received must be wagered five times in acca bets. To qualify, each accumulator stake should consist of a minimum of three events. Additionally, at least three of these events must have odds of 1.40 or higher. It's important to carefully consider the odds while selecting the sports events for your accumulator bet. Another crucial requirement to keep in mind is that the start dates of all the events included in the accumulator bet must fall within the validity period of the offer. Make sure to double-check the dates to ensure they align with the promotional timeframe.
