

A great personal injury lawyer will:	A bad personal injury lawyer will:
✓ Set honest, realistic expectations and timeline	✗ Pressure you to sign with them as a client
✓ Assemble all of the facts of your case	✗ Not promptly answer your calls once you're a client
✓ Make sure your medical treatment is paid for	✗ Exert control over your medical treatment
✓ Submit a demand with the defendant's insurance company	✗ Do the bare minimum to settle your case
✓ File a lawsuit on your behalf	
✓ Put your best interests first
