

HOW TO AVOID CARRY-ON FEES ON ALLEGIANT

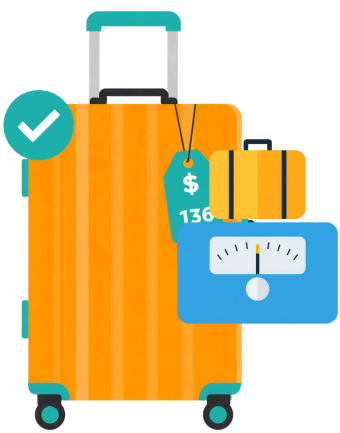

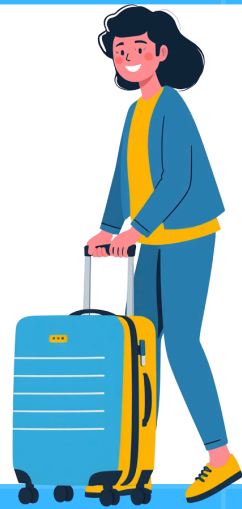

Know the Rules

Allegiant allows one personal item (like a small backpack or purse) for free. Carry-on bags must fit in the overhead bin and require an extra fee unless bundled.

Pack Smart & Light

Monitor your allegiant suitcase weight carefully. Keep your bag under 40 lbs and within 22x14x9 inches to avoid surprise fees at the gate.

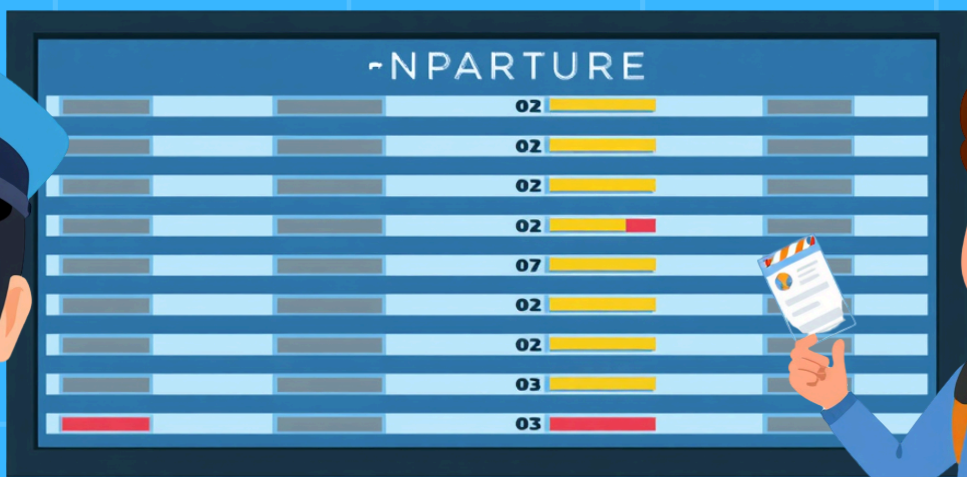

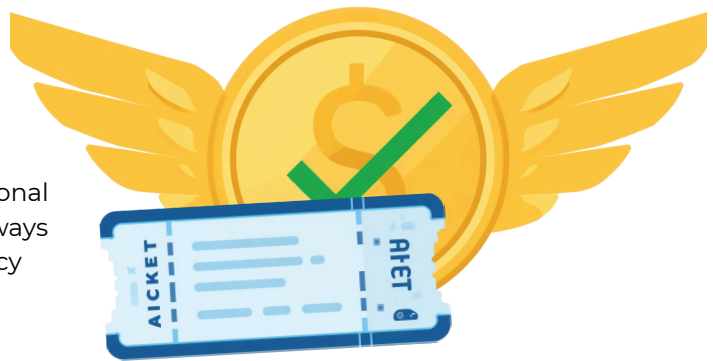

Book a Bundle Deal

Save money by adding a carry-on bag during booking. Allegiant's bundle packages include carry-on + seat selection at a discounted rate compared to airport prices.

Top Money-Saving Tips

Pre-purchase bags online, use a personal item only, wear bulky clothes, and always check Allegiant's latest baggage policy before flying.
