# How Manufactured, Mobile, and Modular Homes Differ

Distinguishing manufactured homes from mobile homes and modular homes can be confusing. Though grouped under the term 'factory-built homes,' they have unique structure and standards:

- **\*\*Mobile homes:\*\*** Built on wheels in the past, mobile homes generally look dated and are rarely found among new homes, particularly in Columbia, TN.

- **\*\*Modular homes:\*\*** Built in modules to FHA or local codes, and assembled on-site, they are higher-priced than manufactured homes.

- **\*\*Manufactured homes:\*\*** Regulated under the HUD code, built on steel frames using modern materials, and usually more affordable than modular or site-built homes.

Excellent manufactured homes from UMH Properties can match or surpass traditional homes in terms of energy efficiency and overall quality.
