

When recruiting a **general counsel**, evaluating the right benchmarks [Aktas Law](#) in **candidates** is crucial:

- **Proven Contract Skills:** Given that contracts feature heavily in the role, a general counsel must have a track record managing complex agreements skillfully.
- **Versatile Experience Base:** Candidates with significant experience across **house legal** roles and external firm collaboration offer broader perspectives.
- **Judgment Under Pressure:** When reviewing **candidates**, focus on their decision-making under pressure and ethical framework; this reflects their suitability for the **position**.
- **Cultural and Business Fit:** The role inherently requires a partnership mindset; alignment with the organization's culture assures smoother integration.
